

Walla Walla Watershed Management Partnership

**IN THE MATTER OF THE
CREATION OF THE WALLA WALLA
WATERSHED MANAGEMENT
PARTNERSHIP AS THE WATER
MANAGEMENT BOARD IN WRIA 32**

RESOLUTION NO. 09-001

WHEREAS, in accordance with Chapter 183, Session Laws of 2009, initiating entities in the Walla Walla Watershed collectively petitioned on July 24, 2009 the Washington State Department of Ecology (Ecology) in order to establish a water management board, and Ecology, in consultation with the initiating entities, approved the petition on August 10, 2009 for the planning area which is a part of Water Resource Inventory Area (WRIA) 32; and

WHEREAS, the board is composed of members appointed by the tribes and local entities in accordance with the law, as well as the three appointed members as residents of the planning area including Michael D. Buckley as water rights holder; Judith S. Johnson as member representing environmental interests; and Greg P. Farrens as citizen at large; and

WHEREAS, the board has adopted bylaws to be established under the name of the Walla Walla Watershed Management Partnership; now therefore

BE IT HEREBY RESOLVED, consistent with Chapter 183, Laws of 2009, the WRIA 32 water management board is recognized as approved for establishment and creation by Ecology, shall be known as the "Walla Walla Watershed Management Partnership," will operate as a local public agency, and may assume the authority, duties and responsibilities identified in 2SHB 1580 as required and expedient to carry out the purposes of this chapter.

Done this 11 day of August, 2009.
